CCN INTERNATIONAL 200 LEHIGH STREET GENEVA NY 14456 315.789.4400

ADMINISTRATIVE STATIONS

The operational soul of many firms is the administrative staff. The environment in which they perform is profoundly important to their ability to function effectively as well as to the identity and well being of the company.

The bespoke process at CCN permits seamless integration of specialized technology as well as ergonomic elements such as wire management or motorized sit-to-stand work-surfaces.
